

November 2009

Dear Friend,

The Boys & Girls Club of San Marcos is excited to announce its 31st Annual Auction to be held on Saturday, May 1, 2010. The auction is the premiere event in San Marcos that brings together community and business leaders in support of our kids.

We understand first hand the economic challenges that you and our community face, as we face them too; however, the demand for our services increases and the immediate value of a Boys & Girls Club is more apparent. Parents may have lost their jobs while others are working two jobs to make ends meet. The pressure and stress felt by children can be overwhelming.

We respectfully ask you to consider joining our efforts for our youth by donating a new item, becoming an event sponsor and/or purchasing an event ticket (\$125/person) or table (You can find the sponsorship levels listed on the website also). A variety of new items is needed, including furniture, household items, electronics, entertainment packages, golf, gift certificates, trips and much more. These items have been very effective in generating excitement among the guests and raising funds for youth programs.

The Boys & Girls Club of San Marcos provides quality educational and recreational programs and services for over 3,688 children and teens annually. Our programs and caring leadership are provided to children for only \$40 per year. The actual cost to provide the programs is much greater - \$543! It is only made possible through the generosity of businesses and individuals, like you, all working for a common goal - to positively impact the lives of children. It takes support of all kinds to have a successful event.

We appreciate your consideration to continue your support of the Boys & Girls Club of San Marcos now and in the future. Our youth are dependant upon it.

Respectfully,

Kristal Jabara
