The Boys & Girls Club of San Marcos enables its youth members to better their community, their families, and most importantly themselves, by realizing their full potential as responsible, caring citizens. Each year, outstanding members from our seven sites are selected and recognized during the annual Youth of the Year Celebration. One finalist from each site is selected to compete for the honor of Teen Youth of the Year or Junior Youth of the Year. All of the finalists are a shining example of how the Club can impact the lives of young people and provide hope and opportunity that lasts a lifetime.

The 2009 Teen Youth of the Year is 17 year old, Kelly Martinez. Kelly has been a Club member since 2005 and is a valued part of The Club Teen Center. Kelly shared, "As a teenager I face the danger of giving into peer pressure. Luckily, I can say the Club has kept me from doing so. It has kept me engaged in activities that have not only prepared me for college but also built my self-confidence."

We need the financial support of caring people like you to help us reach youth who need us most. Your investment gives the Boys & Girls Club of San Marcos the chance to develop a generation of young Americans who are responsible and caring citizens. It just takes one person to make a lasting difference in the life a child. **Are you the one?**
