

YOUTH AMBASSADOR

KYLIE, AGE 10

You may not know me, but you have impacted my life...

When I was very young, I moved around a lot. Many people have helped raise me, and I am thankful to everyone who has been a part of my life. Currently I live with my cousin, who has raised me for the past four years, and who I now call "my mom". She has done a great job supporting me, and I know that it hasn't always been easy.

We have been blessed to have the support of the Boys & Girls Club of San Marcos. I come to the Club three or four days each week. Not only do I have the opportunity to complete my homework, but I get to sing and dance. My love for singing and dancing has been encouraged by Club staff members. I have participated in many different performances at the Club, including "Under the Sea", "Mojalet" and "Holiday Caroling". I will remember these performances for many years to come, as they have helped build my self esteem. The Club is a second home to me...a place that I can be myself and grow into a strong, independent woman.

You may not know me, but please know that your support has continued to impact a child who will continue to make a difference in the lives of others.

Sincerely, **Kylie**
