

YOUTH AMBASSADOR NATHAN, AGE 11

You may not know me, but you have impacted my life...

The Boys & Girls Club of San Marcos is not only important to me, but to my mom too because she is a single-parent. With the support of the Club, my mom knows I am in a safe and positive place after school when she is at work. Without the Club, I would be at home alone every day missing out on all the friendships and life lessons the Club and staff have to offer me.

Since I was in the first grade, I have been a proud member of the Club. The programs and activities at the Club are always fun and have helped me grow and learn in many ways. I get help with my homework every day after school during Power Hour. This has helped me achieve good grades and increase my test scores. I have also learned how to play football at the Club, and I now play for the Pop Warner Palomar Conference Football League. The staff teach us to be great, respect ourselves, respect others, and take responsibility for our actions. The Club is a GREAT place to be!

You may not know me, but please know that your support has continued to impact a child who will continue to make a difference in the lives of others.

Much Appreciation,

Nathan
